

Lorne Hill Farm

Quilting and Craft workshop

*East Garston
Nr Hungerford
Berkshire*

Sandra and Joanne invite you to creative days in the country!

Coming up in the autumn:
Beginners Machine Quilt Group

Beginner's Machine Quilt-making with Prize-winning quilter Anne Ray

A hugely successful course we run each year with Anne – you will be taught each stage of making a quilt: rotary cutting, machine piecing, basting and machine quilting and finally binding and labelling. Everyone who makes this quilt comes on the first day saying they will never be able to do it – and by the end of the course they are quilters.

Workshop days will be Saturday 5th September, Saturday 3rd October, Saturday 7th November and the first Saturday in January and February 2010.
10.00am to 4.00pm including farmhouse lunch

£30 deposit in advance to secure a place on the course, then £30 payment each workshop except the last which will be covered by your deposit.

Book now to secure a place
